

## **Independent On-Call Nurse**

Complete assessments after hours, holidays, and on weekends in the event of an emergency safety intervention (restraint, seclusion, locked seclusion) at Abbott House. The assessment must be started within 1 hour of the start of the ESI. The on call nurse will complete documentation via a verbal order and face to face assessment that identifies medical priorities and provide appropriate responses to individual needs, concerns, and complaints.

The On Call Nurse must be Licensed South Dakota Registered Nurse or LPN with a valid Driver's License. They must also have experience working with children and youth.

The hours for on call are:

Weekdays (4pm – 1am)

Weekends and designated holidays (8am – 1am)

Please call 605.996.2486 ext 119 for more information.

**You choose the dates you want to work!**
